PRE-NURSERY

Yediot K'tanote

PRE-NURSERY

The Plum Room Pre Nursery is excitedly preparing for Purim!! We learned about castles around the world and created a beautiful Purim Palace for our bulletin board. The Yeladim also explored building castles following patterns with blocks, using molds and kinetic sand, and using actual photos for inspiration to build castles with Legos, blocks, and Magnatiles. We've had a blast wearing masks of the Purim characters and making special books for Purim. We even used real quills to practice writing a Megilla like a Sofer!

KINDERGARTEN

The Kindergarten Yeladim took the message of donating to a new level! They learned that Bnei Yisrael donated to the building of the Mishkan in this week's Parsha. They donated like-new clothing, books and toys to Chesed Chicago. Thank you to Mrs. Greenberg for coming in to explain how their donations will be used. The Yeladim drew the Klei Hamishkan and labeled what each Kli is. Some Yeladim pretended to be the Keruvim which were on the Aron. During center time the Yeladim built the Mishkan out of Magnatiles! These are our future Talmidei Chachamim!

KINDERGARTEN

This week we celebrated the 100th Day of school! We had all sorts of fun activities to celebrate this special day. We got crowns, certificates, stickers and more! Each child brought 100 items from home to show the class. We played some fun games related to the number 100, we did some fun coloring sheets, and even drew pictures of ourselves as 100 year olds! For snack we had a special treat of Oreos and Twizzlers so we can spell out the number 100. It was a fun filled day!

PARENTING WITH THE CPS APPROACH

Collaborative Problem Solving® (CPS) promotes the perspective that when kids exhibit challenging behaviors, they don't lack the will to behave well, they lack the skills to behave well. CPS is designed to cultivate skills like flexibility, frustration tolerance and problem solving, rather than motivating kids with rewards and punishments. This proven approach reduces challenging behaviors, equips children with necessary skills, and fosters positive relationships with the adults in their lives.
