

Dear Parents,

We hope this letter finds you well and filled with anticipation for the upcoming year. It is with great excitement that we write to inform you about the Bat Mitzvah program for our 6th grade girls. As we all know, this year holds immense significance for our young women, and we are dedicated to ensuring that they receive not only a special gift but also an unforgettable event that will add even more simcha to this remarkable period in their lives.

To mark this momentous occasion, Arie Crown will be hosting a special Malava Malka on Motzei Shabbos, January 10, 2026. We are currently finalizing the details for this event and will provide you with all the necessary information as it becomes available. In addition to the event itself, we are thrilled to present the option for your daughters to choose a special gift. The cost of this program for each family is \$125, which will contribute to both the event's expenses and the gift your child selects. Enclosed in this letter, you will find a link to a Google form that allows you to choose the gift that resonates most with your daughter's preferences.

There are sponsorship opportunities available to enhance the evening even further. If you or your family would like to contribute to making this event even more special, please reach out to Mrs. Morgenstern at [mmorgenstern@ariecrown.org](mailto:mmorgenstern@ariecrown.org) or by calling the school for more details. Your support is greatly appreciated, and it will undoubtedly add a wonderful dimension to the celebration.

We eagerly anticipate sharing this event with your daughters. It is our hope that this Bat Mitzvah program will not only be a celebration of a significant milestone but also a memorable and joyous occasion for your daughters and our entire community.

Should you have any questions or require further information, please do not hesitate to contact us. We look forward to working together to ensure this Bat Mitzvah program is a success.

Wishing you and your family a year filled with brachos, simcha, and cherished moments.

Warm regards,
